APPLY FIRST AID COURSE - HLTF1B

At Emergency Response we understand your needs-that's why we have created our unique onsite training methods, designed to suit any work or home environment.

- **Our Nationally Accredited** Applied First Aid Course (HLTF1B) is the standard course across Australia. Our courses are designed in providing you the latest in first aid skills.
- **We deliver** & mould our courses to suit your needs
- **We come to you**, at a time which suits you and your daily working environment- 7 Days a week
- **We aim** to make your course a learning environment where you feel confident and relaxed to share and learn in a fun and friendly environment.
- **Open discussions** are encouraged as we feel this is one of the best ways you or your staff retain the knowledge learned throughout the course

Option A: Workbook based

You will receive a Student Workbook and a First Aid Manual plus instructions to complete the theory elements of the course.

Option B: Internet based First Aid Training.

You receive a personal user-name and password for our Internet Web-site-Training component, to complete seven theory modules,

At the end of work book or internet period, we conduct a five- six hour face-to-face practical component plus testing.

The subjects covered at your work place:

DRABCD, CPR, (AED) Defibrillation, Secondary survey, Choking, Asthma, Epi Pens (Adrenaline), First Aid Kits, Bleeding control and shock, Burns, # Fractures, Sprains, Strains, Bites and stings(including Marine) plus more!

APPLY FIRST AID

22 June 2010 Volume VII
